CERTIFICATE OF RECOGNITION

Asphalt Unlimited

This is to certify that **Asphalt Unlimited** has been recognized by the Editorial Board of **Construction Tech Review** as

EDITORIAL ATTESTATION:

This recognition is determined through a bona fide editorial process based on the Construction Technology Value Assessment Model and its defined methodology. It draws on independent editorial research, subscriber nominations and industry input, and highlights excellence in project delivery impact, technology fit for construction workflows, safety and operational visibility, and industry trust and adoption.

A handwritten signature in black ink that reads 'Michael Rosario'.

Michael Rosario
